Dear Neighbour

I would like to invite you to discuss options for the redevelopment of the former Price's Candle Factory site, part of which is currently occupied by Barker and Stonehouse.

In 2012, a planning application was not approved for the demolition of the buildings at 100 and 110 York Road and the redevelopment of the site for a mix of residential units, retail and office space as well as a car showroom. Since then, we have taken our time to re-evaluate our approach and have appointed an entirely new team.

We are holding a public exhibition at **Barker and Stonehouse** on **Friday 5th** and **Saturday 6th December 2014** as we want to invite residents and interested parties to discuss the opportunities for the redevelopment of the site. We are aware that there is a lot of development in the local area and therefore we want to engage at an early stage to ensure that we understand the key local issues.

For further information, please visit our website **www.candlefactory.london** or contact Cascade Communications, who are coordinating our consultation, at **consultation@cascadepr.co.uk** or **020 7871 3565**.

We look forward to meeting you soon.

Richard Simpson Director

To keep up to date with our proposals and to be added to our mailing list, please provide us with your details. These will remain confidential and will only be used for this purpose. **PLEASE PRINT IN BLOCK CAPITALS**

What are the key issues for residents in the local area?

Please cut out and return the postcard by 19th December 2014 using the freepost address overleaf. If you wish to write any further comments, please email them to **consultation@cascadepr.co.uk**

SURVEY

Invitation to a public exhibition

We welcome you to a public exhibition to discuss ideas for the redevelopment of the former Price's Candle Factory.

If you are unable to attend, all the information presented and a link to our online questionnaire will be available on our website

www.candlefactory.london following the exhibition. We encourage you to send feedback by Friday 19th December 2014 in order for it to be included in our considerations.

We welcome your comments as we develop our design proposals.

We want to meet with local residents and resident's groups to discuss our proposals in more detail.

If you would like to meet or would like any more information, please contact us at:
