

The Candle Factory

Dear Neighbour

I would like to invite you to a public exhibition for the redevelopment of the former Price's Candle Factory site, part of which is currently occupied by Barker and Stonehouse.

Following our previous consultation we have taken our time to evaluate our approach to the site and have now prepared new proposals for its redevelopment. We are holding a public exhibition at **The Skoda Car Showroom, at the Price's Candle Factory site** on **Thursday 21st and Saturday 23rd January 2016** to give residents and interested parties the opportunity to view and discuss the proposals and to provide feedback.

Members of the project team will be present at the event to answer any questions and to talk attendees through the proposals.

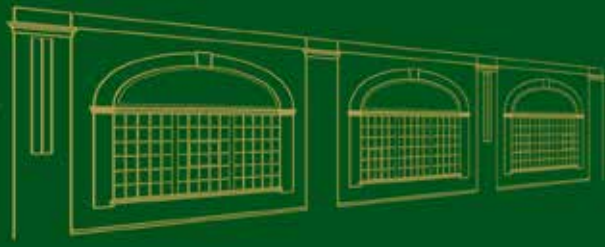

For further information, please visit our website **www.candlefactory.london** or contact Cascade Communications, who are coordinating our consultation, at **consultation@cascadepr.co.uk** or **020 7871 3565**.

We look forward to meeting you soon.
